EXPERIENCES

May 22
Present

Retail Sales Associate & UX Designer Enthusiast PetSmart | *Pearland, TX*

- Conducted user research using qualitative methods such as interviews and contextual inquiries to gather insights from diverse participants and inform UX design decisions
- Designed and prototyped a time request app, utilizing user feedback, iterative testing, low-fidelity and high-fidelity wireframes, and rapid prototyping to enhance usability and functionality.
- Facilitated user testing sessions, including heuristic evaluations, to validate design concepts and improve the overall user experience based on direct feedback
- Skilled in maintaining a professional and empathetic demeanor while delivering excellent customer service to pet owners, understanding their concerns, and providing appropriate solutions.
